Re: Access to Advocacy Outreach Project

Dear Ms. Fortier:

I am in receipt of your letter dated November 12, 2016. I appreciate you reaching out to me on behalf of the Ohio State Bar Association regarding your initiative on Spectrum Institute's Access to Advocacy Outreach Project.

I am forwarding your letter to Ken Brown, Senior Director of Public Affairs and Bar Services, at the Ohio State Bar Association. Mr. Brown will present the information you have provided and your proposal for a task force to our subject matter expert committees and sections, who will make a recommendation to us as to how to proceed. In addition, I should note that the OSBA is a voluntary state bar association in Ohio, which is a separate entity from the Ohio Supreme Court. As such, I am not speaking nor acting on behalf of the court. Mr. Brown will be in touch with you.

Thank you for contacting me and bringing this issue to our attention.

Sincerely,

Mary Amos Augsburger
Executive Director
