Gentlemen:

Enclosed please find my cheque in the amount of \$1.10. One dollar is to pay for my subscription to your newsletter for the current year. The ten cents is for a copy of the article that appeared in the Greater Philadelphia Magazine, which I should appreciate your sending me at the above address.

Permit me to compliment you on the very fine developments which have taken place in the Philadelphia area during the past twelvemonth, as well as on the creditable manner in which you have proceeded to organise an effective group.

Very truly yours,

A. C. Warner
