NOTES

- #--issues publication
- \*--accredited or provisionally accredited to 5th NACHO Convention, 8/69
1. abbreviations are not necessarily official
  2. dates are year of independence or founding
  3. "head" is the de facto head of the organization, where definitely known
  4. names, numbers and addresses were withheld in cases of doubt as to whether they were public or not
  5. this listing is not an evaluation. some of these groups may be defunct by now, others may be paper organizations, others may be purely social or profit-making and have no interest whatsoever in the homophile movement
  6. this listing will be periodically revised and re-issued. please notify me of any changes, new organizations, defunct organizations (be absolutely certain!), heads and their titles, phone numbers of the organizations and of their heads. Also let me know the home address of the heads if they would get mail there faster and are willing to give them out. Thank you!
- Bob Martin, Credentials Chairman
