

NORTH AMERICAN CONFERENCE OF HOMOPHILE ORGANIZATIONS

98 Olden Lane
Princeton, New Jersey
1 July 1970

Mr. Jack Perpich, Secretary to the Board
Society for Individual Rights, Inc.
83 Sixth Street
San Francisco, California

Dear Mr. Perpich:

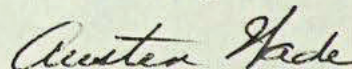

Professor R. A. Laud Humphreys, a national authority on the sociology of deviance, and a member of the faculty of the School of Criminal Justice at the State University of New York, Albany, will be attending the August NACHO conference. Recently appointed Director of Research for the NACHO, Dr. Humphreys is also a member of the Board of Advisors of the NACHO legal committee, which was recently formed for the purpose of providing sociological and psychological material for use in connexion with the legal cases the committee handles. Dr. Humphreys is the author of Tearoom Trade: Impersonal Sex in Public Places, published last January, which has proved to be a tour de force.

Dr. Humphreys has requested accommodations for himself during the conference period, since the cost of transportation to San Francisco and other incidentals represent a considerable financial burden to him. I should like, therefore to have him included, together with Frank Morgan of Boston, Dick Leitsch, and myself, as one of those for whom such accommodations will be provided. Dr. Humphreys plans to arrive on Sunday, 23 August. His home address is 118 Main Street, Guilderland Centre, New York, 12085. When you succeed in making arrangements for him, I should appreciate your communicating with him directly, with copy to me. I should also appreciate some word from you as to what you have been able to arrange for my own accommodations.

The enclosed letter to Mr. David Clayton, chairman of the National Legal Defense Fund, is being sent to you since I do not have his address. I should be grateful if you were to see that he receives it.

Thank you very much for your attention.

Yours very sincerely,

Austen Wade, chairman
NACHO Legal Committee
