NACHO Chairman
4605 East 109th Terrace

Dear Mr. Wynne,

I am in receipt of your letter concerning Mr. McClusky's proposed visit to San Francisco for the NACHO Conference.

I have sent copies of the letter to two of S.I.R.'s attorneys, Mr. B.J. Beckwith, Chairman of the S.I.R. Legal Committee, and Mr. David Clayton, Chairman of the National Legal Defense Fund, for their consideration.

Although we have not yet started with the housing situation for the conference, past experience would indicate that there should be no problem in putting Mr. McClusky up. Plans are to start things going by asking in our next Gold Sheet *For* people who are willing to supply housing for the Conference to make themselves known....

Plans are beginning to "Come Together" for the Conference - I hope it is a good one!

Sincerely,

Jack Perpich
Secretary to the Board
