Re: Resolution on Sexual Orientation and Admission to the Bar

Dear Mr. Boggan,

Enclosed you will find a copy of a resolution and a report in support thereof. I introduced this resolution to the Law Student Division at this year's annual meeting in Washington D.C. The L.S.D. adopted the resolution by a vote of 98 for and 2 against.

On behalf of myself and Mr. Craig Patton (an attorney from Columbus, Ohio) I am submitting this resolution for consideration by your committee. We are interested in securing the support of the Section on Individual Rights at the earliest possible date. After receiving the support of your Section we will introduce the resolution in the Section on Legal Education and Admission to the Bar.

We would be most appreciative if this resolution could receive your earliest attention. Thank you very much.

Sincerely,

Thomas F. Coleman

c.c. Mr. Craig Patton
