Tuesday, May 29:

An opportunity for Committee members to discuss priorities and plans for the Committee. Members should be prepared to discuss the agenda for next years annual meeting. Among other things, the following items need to be discussed: 1) becoming more national in representation, 2) broadening the scope of the Committee's concerns so that it is more pansexual, 3) development of a national library of the Committee. All members are urged to attend this session and to depart on Tuesday night after 6:00 PM or on Wednesday
