Re: Gathering of some members at Key West, Florida
during Christmas/New Years Holidays

Dewey House

Dear Committee Member:

Ask for
the

A number of the members of the Committee will be gathering for an informal meeting in Key West during the upcoming holidays. Arthur Warner, Tony Silvestre, Jay Kohorn, and I will definitely be there. Dan Sivil (our host for next year's annual meeting in Detroit) also plans to attend. Rumor has it that many other members and friends of the Committee will be there also.

Some members are arriving as early as December 22nd and others will arrive December 26th. Most will stay for a week or so, leaving January 1st or 2nd.

This letter is to invite you (and/or a friend, lover, relative, etc.) to join us for a holiday week. Most of the time will be spent "goofing off" rather than engaging in heavy meetings. However, a few of us may wish to discuss agenda and plans for next year's meeting in Detroit. Also, by December we should have more details on the work of the new Commission on Personal Privacy established in California by Governor Brown after months of work by our Committee. (Enclosed is a copy of the executive order creating it and a news release about the Commission.)

You should make your reservations by early November at the latest because late December is the most popular week in Key West. We have enclosed reservation material for either Big Ruby's Inn or for the Club Baths. Take your choice, or if you know of another place, make reservations elsewhere. Most of us will be staying either at Big Ruby's or C.B.C. Big Ruby's is offering us a 10% discount off the listed prices.

Craig Patton is a resident of Key West and promises to show us a good time while we are there. Congratulations to Craig on passing the Florida Bar and on his new membership in that elite club. If you have any questions about Key West or reservations or other related matters, you can call either Craig Patton or Jim Tucci at the following phone number: (305) 294-2456.

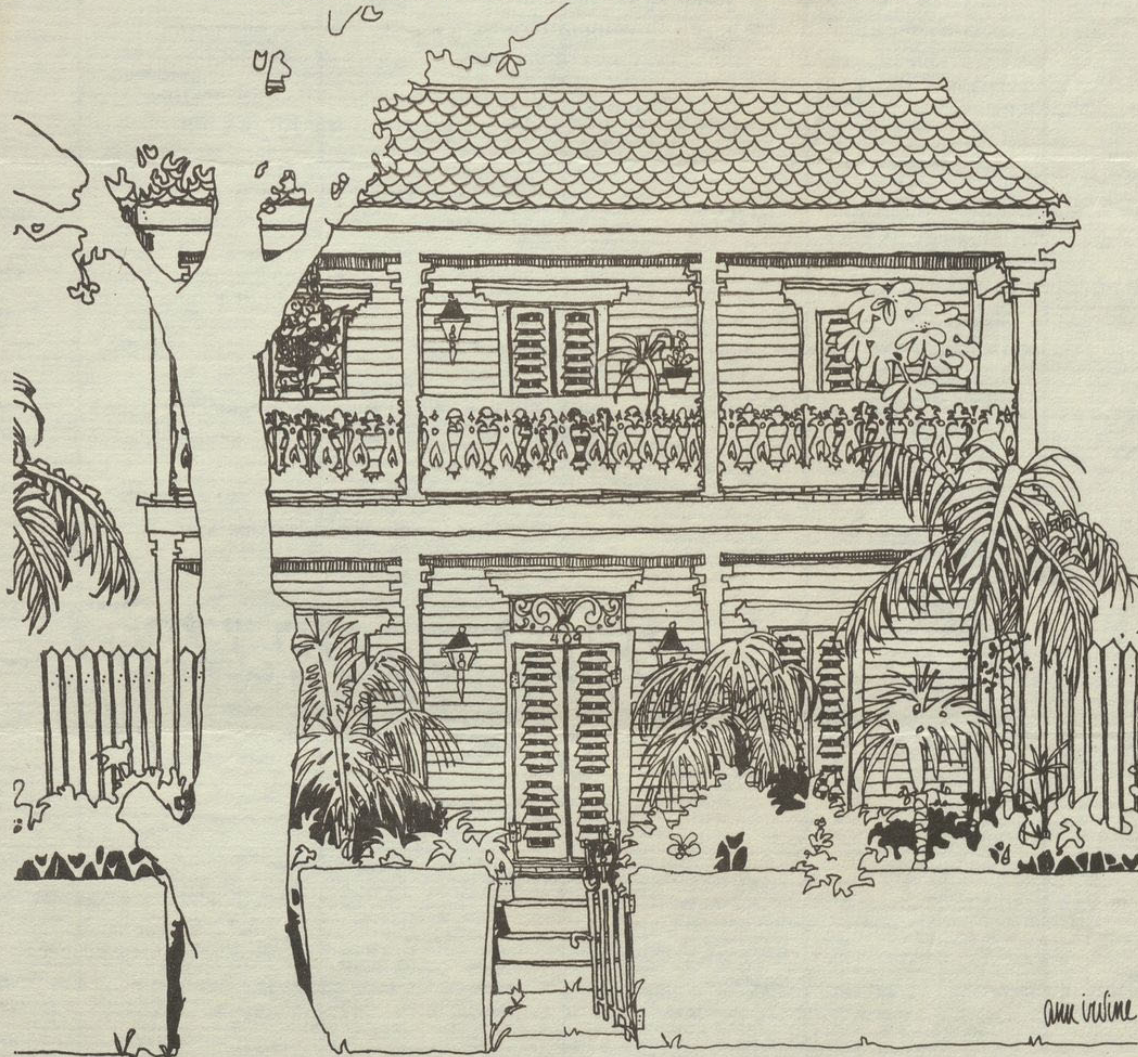

We hope to see you in Key West!

Tom
