Re: Annual Conference of the National Committee

Dear Member:

I am pleased and excited to send to you an "Agenda" and an "Information Bulletin" for our up-coming meeting next month.

This particular meeting will be very special for several reasons. First, the subject matter on the Agenda involves issues, the development of which will affect all of us in our professions and in our personal lives. Secondly, several members of Governor Brown's newly formed Commission on Personal Privacy will be attending and participating in the conference. Thirdly, a special award and testimonial dinner will honor Co-Chairperson Thomas F. Coleman. Tom will be resigning as Co-Chair after serving in that role for seven years. Finally, and perhaps most importantly, the conference will provide us with the opportunity to renew our friendships, to share with one another on a personal and professional level, and to participate in the continuity of the love, support, and outstanding work, and extraordinary brain trust of the National Committee.

Answers to questions regarding accommodations may be found on the "Information Bulletin". Other questions may be addressed to Daniel R. Sivil, whose address and phone number are found on the "Information Bulletin".

We are looking forward to seeing you at the conference.

Very truly yours,

Jay M. Kohorn, Chair
1981 Conference Agenda Committee
