SLR

Network of law students. Don't anticipate too much, per Jay: need computer. ACW thinking perhaps we should go to prestigious law firm and ask for one lawyer.

Jay: 1979 last publication, we should fill in 1980 & 1981 gap. Jay plans to submit grant proposals in December. Matt is being groomed to take over law practice so that 80% of Jay's time can be devoted to SLR. TFC! would be success if we get up during '82, and began publication in January, 1983.
